

# how to apply:

## gps education partners

### **Is our program right for you?**

GPS Education Partners is looking for students who are ready for:

- Small class sizes and personalized education
- Work-based learning
- Accelerating your career in manufacturing and other technical fields

### **Ready to learn more?**

Great! We will work with your school to host an information session and/or we can invite you to join us at an upcoming webinar. Talk to your guidance counselor and contact [enroll@gpsed.org](mailto:enroll@gpsed.org).

This is the perfect time to visit an education center classroom or tour a business partners' facilities. You'll meet GPS teachers and learn more about youth apprenticeships in manufacturing and other technical careers.

### **When can I apply?**

We accept applications year round!

Our youth apprenticeship program is open to juniors and seniors in high school. To experience the full program, we recommend **applying in the spring of your sophomore year to enroll as a junior**. We are also happy to explore spring junior enrollment or senior year enrollment options with you.

### **How do I apply?**

Apply at [gpsed.org/apply](https://gpsed.org/apply). To complete your application, fill out the records release form with your parent/guardian as instructed on the confirmation page. We'll need this form to request records from your school and process your application.

### **I just applied. What happens next?**

After we've received a completed application, with records from your high school, we'll review your materials. If offered an interview, you and your parent will meet GPS staff for an hour-long conversation. After the interview, final admittance decisions will be mailed out within 30 days. If you accept the offer, you and your parents will be required to participate in registration/orientation.

### **Still have questions?**

Email [enroll@gpsed.org](mailto:enroll@gpsed.org) or call us at 1-844-821-8118 for more information.
